

Dear Mr. Uday Karanjkar,

**Subject : Review of your book, 'Gita bodh'.**

"With a great clarity of thoughts and eagerness to pass on the knowledge to anyone interested, Gita Bodh talks about the application of the teachings of Lord Krishna in Bhagwad Gita, in every walk of life.

As contemporary as it has always been, one can seek the answers to their thoughts by having a glance on the larger picture of Life and Beyond. With the passion and relentless efforts in simplifying the concepts to be understood by layman, Uday does a wonderful job of presenting the age old book in a way that is suitable for the modern world, with ample illustrations to help us understand the concepts better.

If you had to read only one book this year, this is it."
